UNION UNIVERSITY

Jackson, Tennessee 38305

From the days of the ancient Greeks, people have strived to attain goals. Without the drive to attain these goals, we lose sight of the purpose for which we were created. Being where we are today gives tribute to the fact that we have not lost sight of the objective nor the drive to reach it. Every aspect of our being is geared toward seeking the means by which we can accomplish our highest goals.

Through times of doubt and hopelessness, we may waver from our chosen path and feel that there is no purpose for continuing. However, we must keep in mind that God is the only strength that can turn our eyes from obstacles that hinder us. With Paul, we can truly say . . . *"I press towards the mark for the prize of the high calling of Jesus Christ."* Philippians 3:19.

ONWARD AT UNION

A decade ago, Union University leaders fulfilled a dream to rebuild the campus at a new location. Before that, efforts were poured into this dream, and now it is a reality which is a source of pride and in which we all take part. It took much time and care to arrive at our present point. God's hand was in it all, leading and directing, sometimes pressing our leaders forward when they were hesitant.

What was the purpose for this dream? To glorify God with a university that will prepare its students for their chosen careers by training them with up-to-date techniques and equipment. Not only is the purpose to teach us academically, but also develop us spiritually and socially.

Each year, students come to Union to search for their individual dreams. For each of us, God's hand will lead and direct, pressing us forward in fulfilling our own dreams and through us renewing again the hopes of our alma mater, Union University.

*I can do all things
through Christ which
strengthens me.*
Philippians 4:13

ONWARD IN FREEDOM

Our Founding Fathers lived and died as they sought to reach the goal of making our country great.

Our forefathers desired to preserve their dreams and goals for us, therefore they forged together their ideals in these words . . . *"We hold these truths to be self-evident: that all men are created equal; that they are endowed by their Creator with inalienable rights; that among these are life, liberty, and the pursuit of happiness."*

God has granted us the privilege to live in a country where we are allowed and even encouraged to endeavor to attain our goals.

*We have a great God who will
do in us, what we cannot do for
ourselves. Catherine Marshall*

ONWARD WITH CHRIST

Throughout our personal lives, many times we ask ourselves, "Why go on?" We see no reason to keep on keeping on. We may look for solace among the things of the world, but never find true comfort. The source of real confidence is a personal relationship with Jesus Christ. He loved us before we were born. He is our Prince of Peace, the Great Encourager. He was made human and went through trials just as we do every day. His love is so high, so deep, and so wide, it is able to encompass us in the depths of despair as well as the heights of victory. In everything He is there to reassure us. *"I can do all things through Christ which strengthens me."* Philippians 4:13.

*But they that wait
upon the Lord shall
renew their strength;
they shall mount up
with wings as eagles;
they shall run, and
not be weary; and
they shall walk, and
not faint.*

Isaiah 40:31

In the Beginning ...

The familiar sight and sounds of moving-in rang through the housing complexes in late August as resident students returned for another year. Both student complexes were filled to capacity with overflow being housed in Warmath. The freshmen were given a taste of college life prior to registration by attending orientation. Upperclassmen were given a chance to renew old friendships and settle back into the college routine by attending welcome parties.

After freshmen orientation, the day of registration for freshmen arrived. Many knew nothing about what they were to do, and some are still somewhat unaware, yet things seem to work themselves out.

... It is Finished!

On June 2, 1984, three hundred and three graduates received their reward for four years of hard work and study. The brief walk across the stage and the handshake with Dr. Craig served to add the finishing touches to such an eventful day.

June and August graduates were honored during the morning Baccalaureate service and afternoon senior reception with parents and faculty.

Dr. Quinn Pugh, executive director/treasurer for the Baptist Convention in New York delivered the Baccalaureate message. Mr. Carl Mays, editor and publisher of *Creative Living Today*, challenged the graduates with his commencement address.

Josephine Mulson received the Highest Academic Achievement Award. Janet Reid was awarded the Elizabeth Tigrett Medal for achievement in citizenship, character, leadership, scholarship and school service.

An evening of style ...

President's Reception

On August 30, Union University hosted its annual President's Reception in the main dining room (or the cafeteria to most). As in the past, this reception served as an ideal opportunity for students, as well as faculty, and administrators to meet and get to know each other.

The formal atmosphere was offset by the casual conversation between all who attended. Students as well as faculty were greeted by Student Government Association President, Reggie Thomas; Union University's President, Dr. Robert Craig, and his wife; and Dr. Hyran Barefoot, Vice President for Academic Affairs and his wife.

The President's Reception is a chance to see another side of people that we don't usually see. Roles are changed for the night as the faculty serve as hosts and hostesses to students. The cafeteria is transformed from the usual dining room where we eat our meals to a formal reception hall. Tables

of delicious finger foods and punch are set out to tempt even the most finicky appetite. The reception is another way Union University says "we care." It is always a highlight to the start of the school year.

Ivy Scarborough, a Jackson attorney, was the featured speaker as the Jones Lecturer and also at the Russian Festival sponsored by the Honors Association.

Chuck Maxwell, a Union graduate, was the featured artist of the annual Homecoming concert.

Speakers, Concerts Add Life

All-Sing 84 Presents HE IS THE MUSIC!

Defending All-Sing champions, Zeta Tau Alpha, extended their reign with a sweep of All-Sing '84. Zeta's secular selection featured a medley of Lionel Richie hits. For their religious entry, they sang a rendition of the Sandi Patti hit, *We Shall Behold Him*, complete with sign language. Norma Scott was the Zeta All-Sing director.

Coming in second place was Sigma Alpha Epsilon. For their show, they sang *Be Thou My Vision* and *I Stand at the Corner*. Chi Omega finished out the awards with third place for their selections of *If They Could See Me Now/Football Hero* and *Upon This Rock*. Steve Kellough and Sheri Murphy were the respective leaders of these groups.

All-Sing '84, with the theme of *He Is the Music*, was under the direction of Eric Barron.

Union Hosts State Forensics Tournament

The 1985 Tennessee Intercollegiate Speech and Debate Tournament was held at Union University on February 15-16. Planning for the tournament began last October under the direction of Dr. Michael Pollock, Communication Arts department chairman and president of the Tennessee Intercollegiate Speech and Debate Association. Participating schools included Carson - Newman College, Tennessee Temple University, Trevecca - Nazarene College, Austin - Peay University, Tennessee State, Tennessee Tech, David Lipscomb College, Vanderbilt University, and Union University.

To be a young debate team, Union held its own in competition with larger schools more experienced in competition. Overall, Union ranked third in the state in cumulative awards, preceded only by Carson - Newman and Tennessee Temple. Gina Kelley received top honors for the After-Dinner speech. Brad Douglass ranked fifth in the Poetry category and Rhetorical Criticism while Sims Byrd ranked sixth in Rhetorical speaking. John Longworth and Tammy Thompson placed fifth in the Duo-Acting competition. Steve Maroney and John Jackson placed seventh in Debate.

Pucciah Fectibal

On November 12-14, 1984, Union students were participants in a Pucciah Fectibal. For the few who were not sure exactly what a Pucciah Fectibal was, it was interpreted into English as Russian Festival. The *Honors Student Association*, under the direction of sponsor Dr. Pat Pinson, and Jennifer Clement, president, sponsored this event.

Leading the list of distinguished speakers was Ivy Scarborough, a lawyer in the Jackson area and a Union graduate, who spoke of his recent trip to the Soviet Union.

His discussion focused on US/USSR relations, politics, and people and places of the USSR. Other speakers included Vadim and Galina Raff who are natives of Leningrad, USSR; Catherine Carls, an authority on Polish history; and Tom Walsh, a member of the Baptist Peace Tour to Russia.

Students were treated to an exhibit of decorated eggs by Mrs. Harry Johnsey, who bases this art on the designs of Carl Fabergé, master designer of the Romanov family. Various exhibits were displayed by academic organizations.

Juniors Prove They've Got What It Takes

Competitive spirits were challenged as the classes participated in the popular Class Playday on Thursday of Homecoming week. Classmates were present to join in the activities and to cheer on their teammates. When the dust had settled after such activities as shoe race, dizzy lizzy, hamburger eating, pizza eating, and chin toss, the Junior class under the team leadership of Emily Garrett, proved to have the best spirit and were pronounced the winners.

Awards Luncheon

A Homecoming highlight for returning alumni is the Alumni Awards Luncheon. This event is held in the Gilbert-Powers Students Commons and is catered by ARA Food Services. Mr. Robert L. Hundley, alumni president, presided over this year's program. Alumni were welcomed with a short concert by Proclamation, and a few words from Dr. Robert Craig, president. Mr. Hundley presented Mr. Lacy Earl Williams with the Distinguished Alumnus Award. Mr. Phelan B. Brasher received the Distinguished Service Award while Captain Robert B. Sims also was awarded the Distinguished Service Award. Dr. David J. Irby, chairman of the Religion and Philosophy department, received the Distinguished Faculty/Staff Award for his long and meritorious service to Union.

Communication Arts Has Got What It Takes

On Saturday, the Communication Arts department celebrated their new radio and television laboratory with a ribbon cutting ceremony and open house. President Craig, Vice President for Academic Affairs Dr. Hyran Barefoot, Dr. James Baggett, Dean of the School of Humanities, and Dr. Michael Pollock, head of the Communications Arts department made dedication comments. Mrs. Patty Smith, instructor of broadcasting, along with President Craig cut the ribbon and officially dedicated the broadcasting laboratory - classroom.

Bulldogs Have Got What It Takes

In a double-header against Cumberland College of Lebanon, the Lady Bulldogs and Bulldogs pulled off impressive Homecoming wins for the crowd of returning alumni and students. The spectators were brought to their feet time and time again as the home teams rolled on to victory. The Lady Bulldogs were led in scoring by Charlotte Hart while the Bulldogs were led by Michael Johnson.

Can We Talk Intramurals?

The Intramural Program, under the direction of Sandra Morgan, is an opportunity for students, staff, and faculty members to participate in various recreational activities. Intramurals consist of many different sporting events including flag football, basketball, soccer, and volleyball, which are team sports. Individual events include tennis, table tennis, and billiards. Swimming events have been added to the program this year with the addition of the pool facility.

The intramural program is designed for all students who wish to participate in athletics, but who do not play on varsity teams.

Activities Complex Dedicated

Union University's new E.T. "Rocky" Palmer Activities Complex was completed this year and dedicated on Friday, September 21.

The \$1.2 million dollar complex includes a six-lane swimming pool, gymnasium, two racquetball courts, a game room, dressing rooms, classroom space, and an enlarged bookstore and post office.

The entire complex is named in honor of Dyersburg attorney E.T. "Rocky" Palmer, a 1932 graduate of Union. In addition to Mr. Palmer's years as a student, he has also served

on Union's Board of Trustees for seven years.

The Aquatic Center of the complex was named in honor of Mrs. Grace Williams, a professor emeritus of Union. She served Union for thirty years as an associate professor of health and physical education and was also the sponsor for the cheerleading squad, Physical Education Club, and senior class during this time.

Union University wishes to express thanks to all those who made this facility a possibility.

A football standout at Union, E.T. Palmer is an avid supporter of Union.

Mrs. Grace Williams spent 30 of her 42 years of teaching at Union.

1985: A

Many positive results came from last year's Bulldog baseball team. A young team, with only three starting seniors, proved that they could play.

Union University finished their 1984 baseball season with a 28-11-1 record. This record entitled the Bulldogs to a 15th place ranking in the NAIA poll. The highlights of the season for Union were when they captured the crown in the Christian College Tournament in Boca Raton, Florida, for the fourth straight year. The Dogs 8-0 record in the 1984 Tournament was only the second undefeated record in the 17-year history of the tournament.

The only other school to accomplish this feat was Montreat Anderson College of North Carolina in 1977. Ironically, this team was coached by Linn Stranak, who now shares the duties here at Union with David Blackstock.

Season of Hope

The Bulldogs had practically packed their bags to head to the first round of the national playoffs, but missed by .0046 percentage points. The Dogs needed only one win out of their final two games of the season. They could not come up with a victory in either game. The Dogs lost to Christian Brothers College, who got a shot at the national playoffs. This was a 10-inning game in which CBC held Union to a 6-5 score.

The next day the Bulldogs played host to Trevecca College. This game could decide the chances of the Dogs going to the playoffs. The Bulldog baseball team was defeated 4-3.

With all this under the young team's belt, the Bulldogs should be very strong with last year's young players returning. Now these are experienced players who are ready to contend with anyone. Team goal for 1985: NAIA World Series.

Brenda Ross, a 6'0" center, is a senior from Waverly, Tennessee. Brenda has been a starter for Union for four years.

Audrey Hunt, from Jackson, Tennessee, plays the position of guard for the Lady Bulldogs. She is a 5'9" senior.

Jackie Graham was one of the most dominating players in the VSAC. Jackie is from Linden, Tennessee and is a sophomore.

Kelley Worner, a junior forward from Cuyahoga Falls, Ohio, is a transfer student from South-eastern Illinois Junior College.

Charlotte Hart, the premier high school student in West Tennessee last year, plays both the guard and forward positions on the team.

Coach David Blackstock entered his fourth season as Lady Bulldog head coach. He has led the team to district championships each season.

What a Season!

The Lady Bulldogs opened the season with a 103-70 victory over their cross-town rival, the Lane Dragons. Charlotte Hart made her college debut by scoring a game-high of twenty points. Jackie Graham put in fifteen points and Kelley Worner put in eleven and contributed twelve rebounds. Brenda Ross also contributed to the victory by scoring eleven points. Union hit fifty-five percent from the floor.

On November 24, the Lady Bulldogs faced Troy State in the Pensacola Classic in Florida. Union defeated Troy 79-66. Charlotte Hart was again the leading scorer for the Lady Bulldogs with 23 points credited to her. Audrey Hunt added 21 points and Kelley Worner put in 19 points. Jackie Graham also made a major contribution by sinking 10 points and pulling down 8 rebounds. Again Union hit over 50% from the field (30 of 56).

During the first round of the tourney, the Lady Bulldogs defeated Phillips College 71-56. Audrey Hunt led Union's scoring with 16 points. Kelley Worner had 14 points. Jackie Graham scored 13 and Brenda Ross and Charlotte Hart both had 10 points. When the finals of the tournament rolled around, Union was there defeating Georgia Southwestern 85-75 for the championship.

After the tournament was over, the Lady Bulldogs returned home to prepare for a game with David Lipscomb. It had been predicted that the Lady Bulldogs would have a rough time against Lipscomb; however, they rolled over the visitors 72-52. Union hit 32 of 64 from the field for 50%. Union led also in free throws by connecting 8 of 10.

On December 1, Homecoming arrived and Union couldn't ask for a better one. The Lady Bulldogs beat Cumberland 86-74. The only sad note of the event was the injury of junior Vicky Swindell. This was the second game of the season that she had received a knee injury, leading to an eventual retirement from the sport.

Again Charlotte Hart led the scoring with 26 points. Jackie Graham had 16 and Lori Wright added 12. Union hit 33 of 68 shots.

In other tournament action Union won the Association for Retarded Citizens Tournament with a 94-61 victory over Freed-Hardeman.

31-2 Score Sheet

On December 3, the Lady Bulldogs had a major victory added to their win column, by defeating a Southwestern Conference school, Union by-passed Mississippi state with a score of 108-88. Kelley Worner led in scoring for the Lady Bulldogs with 21 points. This was also the team that Union bowed to in their first defeat of the regular season.

After Christmas, Union defeated Christian Brothers in overtime 81-77. At this point, the Lady Bulldogs shared first place in West Division of the Volunteer State Athletic Conference with Lambuth.

On January 11, Union was ranked 12th in the nation as they defeated Blue Mountain of Mississippi 91-64.

As of January 15, Union celebrated the first ever top-ten ranking in the NAIA. In District 24 standings Union was all alone in first place. Coach Blackstock said, "It's a great honor for Union and for our conference, but even more than that, I feel it's something the girls have truly earned." To celebrate this ranking, Union defeated Bethel in McKenzie, 81-44.

By January 26, the Lady Bulldogs were ranked 9th in the latest NAIA poll. That evening they defeated the University of Tennessee at Martin, a NCAA Division I school, 99-73. By the middle of January, Union was ranked first in VSAC play and first in NAIA District 24 play.

In the last game of the regular season, Union defeated Lambuth 95-90. This gave the Lady Bulldogs a 10-0 record in VSAC West Division and a 27-1 record over all. On February 12, Union again faced Lambuth for the championship game of the NAIA District 24 West. Union again clipped the Lambuth Lady Eagles for the title.

On March 1, the Lady Bulldogs traveled to Jefferson City to face the NAIA East champion, Carson-Newman, for a West vs. East championship game. It was in Jefferson City that the Lady Bulldogs felt the hardest blow of the season. They were defeated 77-75.

Despite this loss this is the Lady's Bulldogs best season ever, ranking 4th in NAIA. We are expecting an even bigger and better season next year. Congratulations to Coach-of-the-Year David Blackstock and the Lady Bulldogs: Vicky Swindell, Audrey Hunt, Brenda Ross, Kelley Worner, Jackie Graham, Charlotte Hart, Mary Marable, Lori Wright, Shelly Logeman, Tami Coleman, and Melinda Angel.

Cal Johnson (35), senior from Norris City, Illinois, led the Bulldogs in assists and steals.

Danny Montgomery (33), 6'2" senior forward from Brownsville, TN, was sidelined much of the season with a sprained ankle.

Union Faces Tough Season with Determination

Elvis Mitchell (21) led the 'Dogs in scoring much of the season. Elvis is a 6'4" junior.

Kerry Graskewicz (13), saw action both as a forward and guard. Kerry is a transfer junior from Pinckneyville, Illinois.

Coach Jim Swope began his 10th year as Bulldog head coach, where he has compiled a winning record with the 'Dog basketball team.

The men gave it their all, but the season started out on a bad note. The Bulldogs traveled to Athens, Tennessee to play in the Rotary Classic as the season opened, but fell to a 92-88 loss to Tennessee Wesleyan. At the half Union was behind 50-38. Union stopped the fast breaks, but just couldn't pull ahead.

During the second game of the tournament Union came out with a victory. The Bulldogs defeated Bryan College 97-78. This evened Union's record to 1-1. Danny Montgomery was the leading scorer for the Union men with 22 points. Elvis Mitchell made the all-tournament team and scored 16 points and eight rebounds. The Bulldogs shot 55 percent from the hardwood and hit 13 of 17 free throws.

On November 19, Union met its cross-town rival, Lane College. The Bulldogs were dominant throughout the game. At the half Union led 38-22. Cal Johnson was the 'Dogs leading scorer with 15 points to his credit. Michael Johnson was right behind him with 14 and Danny Montgomery dropped in nine with nine rebounds. Against the Dragons, Union shot 47.2 percent and hit 6 of 10 from the line.

When David Lipscomb came to Jackson they brought with them an undefeated men's team. When they went home they had a 79-71 loss to take back to Bison country.

Homecoming was a game to remember. With three minutes to play in the first half, Union was down 31-23, but by the half Union was behind 31-29. The second half was a close game too. With 11 minutes left in the game Union led 50-39, but that didn't last long. With five minutes left Union only led 52-50 over Cumberland. That was as close as the Cumberland Bulldogs ever got. The final score was Union 63, Cumberland 60.

When the 'Dogs traveled to Martin the reception was cold. The Bulldogs just couldn't get warmed up. UTM is NCAA Division 11, and they proved their "stuff" as they hit Union 96-71. Cal Johnson dropped in 22 points and Elvis Mitchell added 17. Union only hit 9 of 18 free throws compared to the Pacer's 22 of 25.

On December 8, Union met Trevecca in Nashville. In a heart-stopping game, the score was 74-74 with 2 seconds remaining in the game. From out of nowhere Cal Johnson stole an inbound pass and was fouled. He hit the second of his two free throws putting Union on top by one.

Marty Stufflefield had tied the game with 4 seconds left by hitting a jumper. When Trevecca tried a full court pass Union's Stevie Howard grabbed it and put in two free throws after he was fouled. At this point in the season, Union was 2-0 in VSAC and 7-4 overall, thanks to the 77-74 win over host team Trevecca.

Union's winning streak was brought to a halt by the Bethel Wildcats when the Cats jumped on top with a 14-6 lead with six minutes gone. At the half the Cats led the 'Dogs 43-36. From that point the Union men would never take the lead. In the second half the Cats hit 23 of 26 free throws and 33 of 55 shots. Union hit 16 of 24 free throws and 29 of 69 field goal attempts. The final score was an eye soaring 89-74 in favor of Bethel.

Trevecca came to Union seeking revenge and they got it. With one minute remaining Union had a one point lead and was stalling the ball. Trevecca took that opportunity to steal a cross court pass and draw a foul. Trevecca stepped to the line and hit both shots of a one-and-one, giving Trevecca the win of 76-75.

The 'Dogs had to face another area rival when they went to Henderson to face Freed-Hardeman. With 23 seconds remaining in the game, the score was 60-59 in favor of Union. The final tilted towards Union with a 63-61 victory over Freed-Hardeman.

The Bulldogs again fell by the way side when the Bisons of David Lipscomb showed that the home court advantage did work. The Bisons hit 68 percent from the field to seek revenge on the Bulldogs. The final score was Lipscomb 71, Union 63.

In the biggest rival game Union was defeated by the Eagles of Lambuth 75-72. This was Lambuth's first VSAC win of the season. Kerry Graskewicz and Cleve Harris both had 20 points for Union. Cal Johnson had 12 and Danny Montgomery had 10. In an earlier game that week, Union walked all over Lambuth by defeating them 109-80.

The final game of the regular season was with Freed-Hardeman. Some have considered it to be the best for the spectators in terms of action. In overtime Union defeated Freed-Hardeman 76-75.

The Bulldogs had a tough season, but we want to congratulate: Coach Jim Swope, John Swindler, James Harris, Elvis Mitchell, Michael Johnson, Cal Johnson, Danny Montgomery, Scott Stone, Marty Stufflefield, Ricky Powers, Bryan Tebbetts, Barry Puckett, Stevie Howard, Kerry Graskewicz, David Barham, and Winston Varnado, student assistant.

1984: The Best Ever!

The *Union Men's Tennis Team* had a successful year in 1984. They had a 19-7 season, which tied the all-time school record for victories in a season. The tennis squad, coached by Ron Barry, tied for second in the VSAC West with a record of 8-4. Another honor they received was finishing fifth in the NAIA District 24 Tournament.

Several of the team's members received top individual honors. Russ Cantrell and Mark Patey were named to the Academic All-VSAC Team for the second consecutive year. Also, setting a new Union record for singles wins was Kevin Ezell, with 22 wins.

The 1984 squad consisted of the following members: 1) Gunnar Adalberth from Sweden; 2) Mark Patey from Jackson; 3) Kevin Ezell from Paducah, Kentucky; 4) Russ Cantrell from Jackson; 5) Dusty Doddridge from Memphis; and 6) Mark Pendergrass from Memphis. Five of the top six players returned for the 1985 season.

Barry, Jan Holaday, David Baker, Gunnar Adalberth, Greg McCloud.

Truex's Tennis Team Triumphs Twice!

The *Women's Tennis Team*, coached by Bill Truex, had a good season last year. They finished with much success as a team as well as individually. They finished second in VSAC West, with a 12-2 record and third in the NAIA District 24 Tournament.

Individual honors were received by Sondra Taylor and Mary Anne Stephenson, as they won the VSAC number one doubles championship with a 17-5 record. Also these two women advanced to the national tournament. Sondra Taylor and Allyson Hobbs were chosen to the Academic All-VSAC Team, and Sondra Taylor and Carla Cantrell were all-conference selections in singles. The team consists of five returning starters this year.

Sondra Taylor, a senior, also stands out for being chosen by the American Alliance for Health, Physical Education, Recreation and Dance to receive the Southern District Student Leadership and Service Award. Taylor will also represent Union's physical education department, as they were chosen by AAHPERD as Tennessee's award-winning department for 1984-85.

Golf Team Is Really Up to Par

The 1983-84 season was one of the top seasons for the men's golf team. Coach Don Morris was named the VSAC West Coach of the year, and the team won the division's regular season title. The team finished third in the NAIA District 24 Tournament and fourth in the VSAC Tournament.

Each member of the eight-member team put all they had into the season. Mike Olexa was one of the team members whose contributions really stand out. He was the individual champion of the Tennessee Intercollegiate Athletic Conference Tournament. This was the first time in Union's history that an individual team member had won this honor.

The 1983-84 team finished the season with a 25-10 mark. In accordance with the past, the 1984-85 team has gotten off to a good start. Coach Morris said, "I really feel from a balance standpoint, that this is one of the best teams I have ever coached."

In the fall of the 1984-85 season, Union came out victorious over Shelby State and UT Martin. Clay Lindsey led the team to a fourth place finish in the Goodyear Invitational. When the Bulldogs played in the Tri-State Classic, they finished ninth out of fourteen squads.

This spring they were slated to do well in the Tennessee Intercollegiate at Sewanee and the Shelby State Intercollegiate at Memphis.

UNION

ALPHA PSI OMEGA

The Beta Mu cast of *Alpha Psi Omega* was organized to stimulate interest in dramatic activities at Union University. Membership serves as a reward to those students who have given their time and dedication to the excellence of dramatics. Members strive to promote theatrical productions yet do not intend to take the place of an on-campus dramatics organization. Dr. C.C. Kinnison is the sponsor of the Beta Mu cast of this national honorary fraternity.

Footlights consists of students interested in the theater. Membership is by invitation, and prospects are chosen from those participating in Union Theater Productions. The organization was established to foster greater interest and appreciation of play productions, and to nurture a respect for drama.

Footlights Officers: Brian Buford, vice-president; John Longworth, president; Chris Hamilton, secretary.

Kappa Pi

Kappa Pi, left to right, seated: Helen Walker, Donna Perkins, Debbie Lynch; standing: Greg Allison, Libby Humphreys, Todd DeGroot, Carla Wuerpel, Mr. Grove Robinson, Mary Kay Martin, Mr. James Hargett.

Many Union students with a talent for art further their interest through *Kappa Pi*, an international honorary art fraternity. The highest standards and increased progress are promoted by this organization. First introduced on Union's campus in 1976, *Kappa Pi* is open to any student with a GPA of at least 3.0 in art. Mr. Grove Robinson and Mr. James Hargett are the sponsors.

STUDENT GOVERNMENT ASSOCIATION

It is the responsibility of the *Student Government Association* to look out for the well-being of the university, to see that the students are represented as a whole rather than favored groups, and to make sure that planned student activities and business affairs coincide with the values and goals set by Union's Board of

Trustees. Planning events and improving the present school constitution, trying to make them all meet Union's standards, is quite a task to tackle. However, the 1984-85 officers took these responsibilities seriously and accomplished much. They also encourage and provide opportunity for the student body to participate through scheduled meetings.

Reggie Thomas, S.G.A. president, is a senior from Huntingdon, Tn. In preparation for the ministry, he has taken a religion major and a double minor of sociology and communications. Serving the student body through this office for two years, as well as through two years of being a class president, Reggie has been able to utilize his leadership abilities and has learned a great deal about working with people. He feels that this year's S.G.A. has been successful in opening the communication lines between faculty and students, furthering the campus unity. Reggie's outgoing personality, along with an unequalled memory for names, has made him one of our favorites.

Junior Angela Powers is vice-president for the 1984-85 school year. Angela moved to Taiwan at 10, when her parents accepted a mission assignment which they are still carrying out. Communications with an emphasis in speech and theatre is her major, coupled with a minor of interdisciplinary honors and secondary education. These encompass two of her personal goals of pursuing a degree in educational administration and teaching speech and theatre. Angela feels that she can learn through the contact with the administration she will receive through her office. Her major obligation for S.G.A. is Senate, working to pass legislation to benefit the students.

A junior from Selmer, Tn., *Chris Williams* serves as treasurer. His goal is to provide the best activities and entertainments possible, including "The Natural", "Star Trek III," special meals in the cafeteria, bowling parties, and a spring concert. Chris is majoring in communications and minoring in English. His experience in S.G.A. will help him in the future, since he plans to pursue a career in public relations.

Sheri Murphy, secretary, is a senior from Trimble, Tn. She has chosen a psychology major and a minor in religion, which she plans to use in a counseling career. Her experience with S.G.A. has taught her a lot about Union, as well as the work involved in legislature and government. When asked her reasons for serving, Sheri replied enthusiastically, "I enjoy working for the school, and getting to know people."

Serving as the S.G.A.'s first attorney general is *Chuck Sikler* of Memphis, Tn. Chuck is a junior, majoring in religion/Greek, minoring in communications. He has seen the goal of this year's S.G.A. as being "to represent all of the students and to finalize work both on the Constitution of the S.G.A. of Union and its By-laws." This position has helped Chuck to "return to Union some of what Union has given to me."

Senate

Senate provides opportunity for students to assist in making decisions concerning Union students. We can see advantages from bills presented in the past few years, and this year is proving worthwhile as well.

Among the bills passed this year were moving dead day

from Monday to Wednesday, installing emergency lights for both commons, and improving architectural flaws on campus, such as worn-out sidewalks and slippery staircases.

We appreciate the responsibility and work our senators have taken on.

Baptist Student Union

Open to the entire student body, the *Baptist Student Union* seeks to provide spiritual encouragement and promote Christian fellowship. Meetings held twice weekly provide time to share thoughts and prayers.

Through a variety of ministries, BSU is a witness for Christ both on and off campus. Composed of the directors of each of the ministries is the *BSU Council*. Majesty, the vocal group, performs both on campus and in churches. A new group is the *Wilder Youth Development Center Ministry*. Other off campus ministries are the *Backyard Bible Club*, *Jail and Workhouse Ministry*, and *Nursing Home Ministry*. The *Sonshine Puppets* minister both on and off campus to all groups, as does the *Drama Team*, using skits and monologues. Mr. Richard Holloman is the director, and David Samples is the president.

For those students who feel they have been called into full-time Christian service, there is *Church Related Vocations*. CRV not only offers scholarship and academic guidance to students devoted to a lifetime of Christian service, but it also offers opportunities for spiritual leadership. All students

devoting their life to the work of Christ are eligible for membership. CRV activities are coordinated through the office of Religious Affairs. Meetings are led by Union administrators, faculty members, or staff members from area churches.

Baptist Young Women And Ministerial Association

Support of missions is the main emphasis in *Baptist Young Women*, an organization open to all young ladies here at Union. Bi-weekly meetings provide fun and Christian fellowship, as well as current information on mission work. They also have an annual Christmas party and a spring

banquet. Mrs. Amy Alvey is the director.

Fellowship and spiritual support are two of the many advantages of the *Ministerial Association*. All young men planning to enter a ministerial or pastoral position are encouraged to join. Dr. John Adams is the advisor.

Black Christian Fellowship

"All Colors Together, But Distinct" is a running theme of the 1984-85 *Black Christian Fellowship*, established in 1980. Under the direction of Richard Holloman, BCF is reaching to extend its ministries to further limits. A growing part of BCF is the talented choir. This year BCF is striving for even more unity by adding a regular Bible study session during each regular meeting. BCF has taken an active part in BSU through such activities as participating in the BSU Fall Retreat and contributing to coffeehouses and regular meetings.

Cardinal and Cream

Orlandus Moss, *fall editor.*

Union's student newspaper is "*The Cardinal and Cream*," published monthly during the fall and spring semesters. Besides assigned and volunteer positions, the staff is comprised of the Journalism 213-214 class. *The Cardinal and Cream* conveys news affecting Union University and its students; also, it seeks to inspire students and improve the school.

All organizations, fraternities, sororities, sports, and special events are covered in order to give readers a more complete view of the school. "Letters to the Editor" encourage student opinion, and "Senior Spotlight" gives well-deserved recognition. "Meditations" helps to set goals and renew commitments.

Lest We Forget

Picture a room full of paper, layouts, photographs, and assorted other publishing supplies. Add Union students, running frantically about and you have life in the publications' office for the staff of *Lest We Forget*.

Despite the problems, our staff takes pride in pulling together special events and all the everyday activities of a busy campus, storing them in a book for students to remember for years to come.

Special thanks go to our editor-in chief, Miriam, who calmed our nerves and pushed us on. Also, we could not have done it without a terrific adviser to direct it all. Mrs. Betty Foellinger has been a real inspiration to us. This will be her 20th edition of *Lest We Forget*, and also her last. Mrs. Foellinger's retirement will leave an empty place that will never quite be filled the same. Mrs. Foellinger, we thank you for your love and devotion, and we dedicate this yearbook especially to you.

The Torch and Sigma Tau Delta

Union's annual literary magazine is *The Torch*, produced by a selected committee under the direction of the Honors Council. Under their advisor, Dr. Ernest Pinson, members review each submitted piece of literature, which can be from either a student or a faculty member. These entries include poetry,

short stories, essays, musical compositions, drawings, and photographs.

Union's chapter of *Sigma Tau Delta*, a national English honor society, was founded in 1977 by 27 charter members. Its purpose is to promote a mastery of written expression, to encourage worthwhile reading, and to

foster a spirit of good fellowship among students of the English language, literature, and journalism. Requirements for membership include maintaining a B average in English and being declared an English major, minor, or composite English/Journalism major.

International Student Club and *Linguae Mundi*

Re-started this year at Union, the *International Student Club* is designed to bring together all of the international students in fellowship to share and express their individual cultures. The club activities included an international dinner and a display designed to inform students of the various cultures.

Incorporating all the foreign languages taught at Union, *Linguae Mundi* is open to those interested in foreign languages and customs. Mrs. Cynthia Jayne, Ms. Judy Kem, and Mr. Scott Bennett are the faculty advisors.

Honors Student Association

For all students involved in any interdisciplinary studies classes through the Honors Program, the *Honors Student Association* gives opportunity to discuss those issues studied, as well as work on other topics. This year they sponsored a "Russian Festival;" booths set in the main corridor provided the student body with facts and samples of Russian culture, food, and literature. Also, they had speakers on related topics at luncheons. The whole project proved a pleasing success.

An Honors Council, comprised of students and faculty, oversees the Honors classes and the program's long-range plans. Mrs. Cynthia Jayne and Dr. Pat Pinson are the faculty advisors.

Alpha Chi

Focusing on all academic fields, *Alpha Chi* is a national scholastic fraternity for only the top ten percent of the junior and senior class. Membership is an achievement in itself, since a GPA of 3.5 or above must be maintained. Dr. Louise Bentley, Dr. David Vickery, and Dr. Ernest Pinson are the sponsors of Alpha Chi.

To provide equal representation of each class, the president and secretary are chosen from seniors, while the vice president and treasurer are chosen from juniors.

Union's chapter of Alpha Chi, the Tennessee Beta Chapter, was founded in 1922. One of their traditional aims is to "promote and recognize scholarship as a developer of character and citizenship among undergraduate students."

Nursing is an art, a science, a service ...

Lamplighters and BSN Student Fellowship

Created with the returning nursing student in mind, the *BSN Student Fellowship* seeks to involve the returning RN student in fellowship with other RN's. This group, although small in number, has been very active on campus this year. Having only been chartered in October, they got busy with the biggest Turkey on Campus and raised more money than any other organization on campus and thus made their sponsor, Mrs. Dorothy Yarbrow the "Biggest Turkey on Campus."

During their monthly luncheons, various speakers presented programs on such topics as nursing in other cultures, child abuse, and the Host Family program of Jackson. In April they sponsored, along with the Tennessee Nurses Association, a seminar on child abuse.

Lamplighters provides an opportunity for associate degree nursing students to get together to fellowship. This year, they sponsored a self-defense demonstration performed by Phil Spencer, from the police department.

First year nursing students attend one of their many lectures as they prepare to become health care professionals.

Student Tennessee Education Association

The purpose of the *Student Tennessee Education Association* is to promote the teaching profession. Also, a primary aim of STEA is to assist students as they prepare to begin student teaching on the elementary or secondary

level. To assist in this goal, speakers and varying programs within this profession are presented at each monthly meeting. Two teas are held annually in appreciation of the teachers at Union and community schools.

Andrew T. 'Tip' Taylor Pre-Legal Society

For students thinking about or planning to study law, the *Andrew T. 'Tip' Taylor Pre-Legal Society* can provide information and insight to help confirm their interest. It is designed primarily to introduce the members to the legal profession, meeting monthly off-campus with local judges and attorneys. Also, the society encourages an early law school education for all pre-law students. The advisors are Dr. Stephen Carls, Dr. James Baggett, Dr. James Edmonson, and Mr. Willie Pigg.

Kappa Mu Epsilon Association For Computing Machinery

Kappa Mu Epsilon, established at Union in 1965, is a national mathematics honor society. The aim of KME is to apply mathematical knowledge, interest others in it, and learn of advances presently being made in this field. Those interested in membership must complete at least three math courses while maintaining a high GPA. Mr. Dwayne Jennings and Mr. Don Richard are this year's directors.

Computers interest students in a wide variety of study fields; the *Association for Computing Machinery* is directing this interest towards computer careers, as well as towards computer use in other fields. Founded in 1981, ACM is continually growing on Union's campus. ACM is the world's largest educational and scientific society for professionals in the computer field. Mr. Bill Truex is the advisor.

Residency Councils

Academic life and social life are very important parts of being at Union, but there is another very important aspect: dorm life, which has an effect on all the other essentials. Our three governing councils over the resident complexes, the *Resident Life Board*, *Men's Dorm Council*, and *Women's Dorm Council*, all work with Miss Maggie Nell Brewer and dorm directors to make dorm life the best it can be.

STUDENT FOUNDATION

Each year Union uses a selected group of students to encourage support for our school, forming the *Student Foundation*. Chosen for their leadership ability, character, and outstanding scholarship, these students serve as campus

hosts and hostesses. Organized groups divide duties of writing letters to prospective students and alumni, speaking in churches and schools, and other jobs. Carroll Griffin, Director of Student Enlistment, supervises.

Union University Chorus

Union University Chorus

Union University Chorus provides opportunity to take part in classical, religious choral music to any student interested. Each year they give two performances after practicing for a semester for each one to perfect it.

This year's Christmas program was "The Messiah", and the Spring Concert was "The Elijah," both broadcasted over a local radio station. Solos are performed by music professors and local guest soloists. Dr. Kenneth Hartley directs this choir, while Mr. Scott Bennett accompanies on the piano.

'Singing Praise to the Lord . . . '

Union University Singers

The *Union University Singers*, composed of students devoted to developing and using their musical talent, is considered Union's primary touring group. Through their week-long spring tour and their performances, they promote Union, the music department, and the Christian commitment behind it all. This year's tour will include traveling to Kentucky, Missouri, and Mississippi, as well as Memphis.

While they prepare for their spring tour, other performances include chapel services and a variety of special occasions. Singers is open through audition to any student who is willing to devote the time and effort required. Dr. Kenneth Hartley directs this group, as well as encourages their efforts.

Stage and Symphonic Bands

Keeping on top of the latest hits is Union's *Stage Band* designed to provide popular music for various university events. Their main service is to cheer on our basketball teams and liven up the crowd as well. Also, several vocalists assist in some performances. The director is Mr. Charles Huffman.

For those who enjoy classical music, there is the

Symphonic Band. They perform once or twice each year in the chapel, broadcasting over a local radio station. Their high level of performance requires members to be very talented and dedicated. Union's graduation music is provided by the *Symphonic Band*. Direction is under Mr. David McClune.

Proclamation

One of Union's two outstanding vocal groups is *Proclamation*. By performing for a number of surrounding area churches as well as high schools and civic clubs, *Proclamation* seeks to exemplify Union's commitment to excellence with Christ as the center. They also perform throughout the year for a variety of campus events. Membership is limited to music majors through audition. The director is Dr. Kenneth Hartley.

Covenant, left to right, seated: Mindy Dean, Cheryl Johnson, Lori Clayton; standing: Sam Newman, Seth Gay, Steve Kellough, Debbie Madoni, Sterling Hollis, Mr. Tim Gayle.

Covenant

Covenant also performs occasionally on Union's campus, but they serve more as a public relations group for the university. The group performs for banquets, retreats, conventions, and other places, further spreading their praise to God through song. Open to music majors or minors, selection is through audition. Mr. Timothy Gayle is the director.

Phi Mu Alpha Sinfonia

Founded in 1898, *Phi Mu Alpha Sinfonia* is an honor fraternity for men in the music field. Union's chapter, Iota Sigma, was chartered in 1960. This fraternity aims to encourage loyalty to the Alma Mater, develops true fraternal spirit and brotherhood, and fosters mutual welfare and brotherhood of students of music. This year's sweetheart is Lorie Clayton.

Phi Mu Alpha Sinfonia continued their support of All-Sing this year, staging and directing the entire event. All-Sing gives all campus Greeks and other organizations an opportunity to perform musical selections in competition with each other. Eric Barron, serving as chairman this year, directed a choir composed of all participating groups in "He is the Music," the 1984 theme song. Drawing a large audience, All-Sing '84 was a tremendous success.

Officers, left to right: Lorie Clayton, sweetheart; Lance Word, president; Richard Stevenson, vice president; Ray Frazier, recording secretary; Jeff Morgan, treasurer; Ricky Eaves, historian; Charles Allen, executive alumni secretary; Eric Barron, chaplain; Mike Eaves, music director; Doug Watts, warden.

Sigma Alpha Iota

Encouraging interest in the field is a goal of *Sigma Alpha Iota*, the largest and oldest international honor fraternity for women.

Membership is open to music majors and minors and is based on scholarship and musical ability. Fall and spring bids are given. To symbolize sisterly love and everlasting friendship, pledges carry a rose with them.

Founded at Michigan University in 1903, *Sigma Alpha Iota* was chartered in 1960 at Union, as the Gamma Sigma Chapter.

Pi Kappa Delta

With the formation of the Communications Arts department, a speech and debate team was created to give students a chance to develop their speaking skills. Under the direction of Dr. Michael Pollock, coach, and Mrs. Patty Smith, assistant coach, the speech and debate team traveled to Chattanooga to compete in the Choo-Choo Invitational Forensics Tournament at Tennessee Temple. There they walked away with three trophies. In February, the newly formed group helped sponsor the state Collegiate Forensics Tournament under Dr. Pollock, state president of the collegiate forensics organization.

Members of the Speech and Debate team are eligible after competing in three tournaments to become a member of *Pi Kappa Delta*, a national honorary fraternal organization for collegiate debaters. There are over 50,000 members in 280 chapter colleges around the nation. Union's chapter was chartered in 1985.

Physical Education Majors Club

Many students are unaware of the job opportunities that are available within the field of physical education. The main purpose of the *Physical Education Majors Club* is to sharpen this awareness. This organization is open to any student majoring or minoring in Physical Education. Mrs. Sandra Morgan is the sponsor.

Fellowship of Christian Athletes

Bringing others to accept Christ as their Saviour and Lord, encouraging service to Him, and participation in the local church are priorities of *The Fellowship of Christian Athletes*. Meetings provide a time for Bible study, prayer, and sharing testimonies. Also, FCA raises money each year to give partial scholarship to a fellow Christian Bulldog or Lady

Bulldog in need of financial assistance. Union's chapter of FCA is open to all students, faculty, and staff who have lettered in high school or college as athletes, cheerleaders, or managers. The organization receives much encouragement from its faculty advisor, coach Ron Barry.

Pi Gamma Mu, an honorary scholastic fraternity encourages participation for those striving to increase their knowledge in the social studies area. Members believe that obtaining this knowledge is the first step toward better serving humanity, which is their ultimate goal. To qualify for *Pi Gamma Mu*, 20 hours of study in the social sciences and a 3.0 grade point average are required. Dr. Lytle Givens is the sponsor.

The primary aim of the *Sociology Club* is to provide inquiry in the discipline. Association among members and a number of activities including off-campus services provide encouragement and opportunity to gain practical knowledge. The *Sociology Club* is open to any student who is majoring or minoring in sociology, or who is just interested in the field. Dr. Lytle Givens and Dr. Jim Wooten are the sponsors.

Psychology Club

Initiative, academic achievement, and dependability are some of the ideals that are encouraged by the *Psychology Club*. Its purpose is to acquaint the members with the field of psychology and the opportunities available within the profession. Membership is open to any student majoring or minoring in psychology. The faculty advisors are Mrs. Teresa Hawkins, Dr. Bill Bouchillon, and Dr. David Vickery.

Personally from the
PRESIDENT

UNION UNIVERSITY
Jackson, Tennessee 38305

Dr. Robert E. Craig
President

Union University's 159 years of history have been very great. The college graduates have contributed greatly to the work of our Lord and to the improvement of our world.

In recent years, we have been blessed by growth in student numbers, a new campus, additional faculty and staff members, and increased participation and support by alumni and other friends.

Union's future is very bright. We will strive to maintain the past achievements and build upon the solid foundations to improve the college's academic, financial, and religious aspects.

Our past has been most impressive; the recent victories are great; but the future blessings appear to be tremendous!

Sincerely,

Robert E. Craig

Vice Presidents

If a university is to operate, it is necessary for important decisions to be made. Strong, effective administrators are called upon to make decisions concerning student life, educational opportunities, business and development. Questions regarding religious matters constitute an integral part of Union. Needs of Union must be considered for the present and also for the future.

Library

Books, periodicals, cassettes, microfilm, slides, and film strips are just a few of the immense resource materials available in the *Emma Waters Summer Library*. Other study aids include group study rooms, music listening lab, career center, and language lab. Union's library has a reputation for not only being a valuable resource for students, but for others also.

Deans

The five deans of Union University function to serve as a bridge between administration and faculty. They work closely with the Associate Vice President for Academic Affairs to coordinate curriculum and class scheduling. The academic departments are divided into five schools: Fine Arts, Humanities, Natural and Behavioral Sciences, Nursing, and Professional Studies.

Dr. Patricia Pinson, Dean
School of Fine Arts

Dr. Bill Bouchillon, Dean
School of Natural and Behavioral Sciences

Dr. James Baggett, Dean
School of Humanities

Dr. Howard Newell, Dean
School of Professional Studies

Mrs. Regina Saffel, Dean
School of Nursing

Art

Exercising the mind and the spirit through training of the hands and eyes is one of the primary tasks of the *Art* department. Curriculum is designed to allow students to discover and explore their potential creativity. Art mediums used include watercolor, oil, pottery, print, and photography. Senior art exhibits are located in the new art gallery, adjacent to the art department. Each year an art show is held during the spring.

Languages

Cynthia Jayne
Department Chairman

Learning the cultural background of a country is an added benefit of studying language which makes communication more effective. Many people recognize the study of language as a skill which can prove profitable in a wide range of governmental and professional jobs.

To prepare students for this qualification, professors give thorough classroom instruction as well as practical lab experience to teach them proper communication skills. Union offers Spanish, French, German, and Greek.

Judy Keen
Assistant Professor

Religion and Philosophy

Dr. David Irby
Department Chairman

Dr. James Jones
Associate Professor

The Religion and Philosophy departments aim for the goal of helping students better understand the Bible and other Baptist beliefs. This helps students prepare for the pastorate and church-related jobs. Part-time instructors are Dr. John Adams, Dr. Hyran Barefoot, Mr. Richard Holloman, and Dr. Walter Taylor.

Dr. Clyde Tilley
Professor

English

The English department teaches students how to improve their written and verbal communication skills. These skills are incorporated into an appreciation for literature in the form of poetry, drama, short story, and novels. Students are challenged to produce literary compositions as well as to seek truths in the literature they study.

Communications

Joining the curriculum this year, is the new major in Communication Arts. Students have the opportunity to specialize in the fields of journalism, broadcasting, speech, or theater. The department dedicated a radio-television laboratory classroom during the Homecoming festivities. This facility gives actual hands-on experience with the equipment.

History

Students taking courses in Union's History Department not only study history, but also are encouraged to be aware of current events. Students are motivated not to simply accept the ideas of others, but to form individual opinions. This view is useful to students interested in journalism, law, or politics.

Dr. James Edmonson

Biology

The Biology department of Union places emphasis on motivating students to develop investigative techniques. Most of Union's biology majors are students in pre-health-related fields. The department helps to prepare students for studies in areas such as dentistry, pharmacy, and medicine.

Dr. Michael McMahan
Associate Professor

Terry Spohn
Assistant Professor

Elsie Smith
Department Chairman

Dr. Kyle Hathcox
Department Chairman

The Chemistry and Physics department strives to attain the goals of helping students understand the physical and chemical world around them, become proficient in problem solving, and develop an inquisitive mind. Preparation for graduate study with an emphasis on laboratory skills is a major objective of the Chemistry department. The Physics department emphasizes a study of physical phenomena that occur in the world. Courses are offered to challenge students to think and reason.

Chemistry and Physics

Dr. Jimmy Davis
Assistant Professor

Dr. Eugene Gooch
Assistant Professor

Psychology

The Psychology department sees as one of its goals to provide students with a basic understanding of the laws that govern man's behavior. A major in psychology will prepare a student for graduate school, a church related vocation or working in the clinical psychology field.

Dr. Bill Bouchillon
Department Chairman

Dr. David Vickery
Assistant Professor

Teresa Hawkins
Instructor

Dr. Lytle Givens
Department Chairman

Students interested in sociology can find quite a wide range of courses in Union's Sociology Department. These courses not only prepare the student for job opportunities, but also teach them to deal with daily problems. The department is founded on the practical and scientific analysis of human relations.

Sociology

Dr. Jim Wooten
Assistant Professor

Brenda Collins

Education

The aim of the *Education* department is to train competent educators. It is said that the future of a nation rests in its youth. These youth will be a direct product of the teaching they have received. Students in the teacher education at Union are given practical experience in the classroom. This enables them to have experience before they teach. Dr. Pat Taylor teaches part time.

Dr. Wayne Alford

Physical Education and Health

One of the goals of the Physical Education and Health department is the total health. They believe this includes a strong mind as well as a strong body. The major means of teaching this goal is through physical activities such as intramurals and varsity athletic programs. This year more activities are possible through the Activities Center.

Nursing

Students in the nursing program at Union work closely with their instructors to complete the prescribed curriculum. It is the responsibility of the nursing faculty to help students apply principles from the biophysical and social sciences, humanities, and general education to carry out nursing activities related to the care of the sick and the restoration of health. Students complete the program competent to pass a licensing exam.

After The Race

*With age comes
wisdom
recycled in
album covers
and cola cans,
stashed away in
corners of
dorm rooms
and recorded on
computer print-out
sheets.*

*What matters now
is that we've
run the race, and
the quest for gold is
visualized in
class rings
and on pieces of
paper stamped
with the college
seal —
we have learned,
we have grown ...
And our lives have
become not just
another day
marked on our
meal tickets,
but another step
closer to
knowing who we are,
why we are,
and where we are
going.*

— Orlandus Moss, Jr.

Alma Mater

*O Alma Mater, our affections
cling to thee,
Faithful and loyal may we
ever be
May our Master's watch-care
O'er us one and all extend,
Till again in Union
Heart and voice we blend.*

*Union, dearest Union,
Yes, we'll sing thy spreading
fame!
Union, dearest Union,
Honored be thy name.*

*Dear Alma Mater, hear thy off-
spring's plighted vow!
Firmer and truer may we be
than now.
Memory fondly lingers,
Calling back departed days:
Every task grown lighter
As we sing thy praise.*

*Union, dearest Union,
Yes, we'll sing thy spreading
fame!
Union, dearest Union,
Honored be thy name.*

Onward In Life

So this is 1984-85 with all of its ups and downs, ins and outs. Freshmen can look back on it with pride that they survived their first year of college, sophomores can be relieved that they are halfway through, and juniors look to the following year with great anticipation of graduating. Seniors look back on the year with mixed emotions. To them 1984 meant the last year of school for some and for others the last year of undergraduate work. Some looked at it as being the end of school and the beginning of life, while others looked at it as the end of previous securities and supports and the beginning of new jobs, responsibilities, and duties.

Regardless of the viewpoint, each individual must now set new goals for himself and strive to attain them. Each can take courage in the fact that our school and our country have a long and rich heritage of setting goals and working for their completion.

Our God is a source of encouragement and compassion in our daily struggle. It is for these reasons, we can press towards the mark for the prize of the high calling of Christ Jesus.

Looking at this year's proof, surrounded by 20 years of dedication.

As these last pages are being checked, I reflect back on the twenty years I have had the responsibility of being the adviser to the student publications at Union University.

What is a publications adviser? It is a person who knows the profession of journalism and publications who works long hours with student editors and staffs in a team effort. It is a walking sense of humor, a good wide shoulder, a challenger to succeed, a motivator to meet deadlines, and a ready pep-talker to help the staff handle the jitters and the pressures.

Over the past twenty years I have "adopted" many student editors and staff members and with love have watched them develop, grow, mature and go on to fine professional careers in the communications field. This is the most rewarding past of an adviser's job.

A yearbook is more than a collection of memories, it is a show window to the world of the highlights and happenings of the school. It is a

record which becomes a part of the history of the college.

These twenty editions have recorded events involving a student body of less than 800 which grew to more than 1400; we've seen a move to a completely new, innovative campus; there have been a number of new departments formed and some outstanding national recognition in academics and sports.

It has been a privilege to help record all these events; to have been personally and closely involved with some 250 staffers who then and now are "my kids."

My thanks to them and to my colleagues for a rich tapestry of memories which I will always cherish.

May the Lord continue to bless the yearbook staff as one facet of a great Union University.

Sincerely and with love,

Betty H. Foellinger
(Mrs. F.)

What is a yearbook? That's a question I've asked myself lots of times throughout this year. Of course the obvious answer is that it's a lot of paper, pictures, words, measurements, and headlines. That's all true, but to me it's become so much more. A yearbook is made of memories, those memories of the people that made life so special. These are the people we shared a class with, those we shared a pizza with, those who taught us formal knowledge, those who taught us about life, and the list goes on and on.

My experience in serving as editor of the 1985 edition of *Lest We Forget* has been made up of lots of those special kind of people. I owe much to a lot of people who made the ideas for this book become a reality. My thanks go to those staff members who helped in any way possible to fill in even the smallest detail of each page. My deep appreciation is given to my assistants, Jennifer and Angie, who have lent their creativity and knowledge to help edit this book. A gold medal should go to my room-mate, Beth, who not only pitched in to help any way she could with the book, but also stuck with me through the good times and gave the much-needed support throughout the rough times. Gratitude beyond words goes to Mrs. Betty Foellinger (more affectionately known as Mrs. F.). Without her guidance and support, this book would still be a mere dream. Last and certainly not least do I praise the Lord for the physical and mental strength given to me to complete this project. To God be the glory always!
